DATE: FEBRUARY 17, 2025

The meeting was called to order at 2:00 P.M.

BOARD MEMBERS PRESENT: Donovan Madden, Chair, Melva Hausserman , Treasurer, and Dave Smith, Maintenance, constituting a quorum.

OFFICERS PRESENT: Bob and Karen Markel, Landscape, Peggy Sult, Neighborhood Watch Area Coordinator, Joan Mathews, Newcomer's Welcome, Judy West, Resident Information and Communication and acting Assistant Treasurer, Janet Giovannetti, Forum Editor and Julie Helle, Secretary.

RESIDENTS PRESENT: 51

SECRETARY'S REPORT: Julie Helle: Julie requested approval of the minutes for the annual meeting held February 21, 2024. The motion was made, was seconded, and was approved.

The result of the votes was announced by Janet Giovannetti and Dottie Francis. 98 units voted with 98 votes to approve Melva Hausserman as Treasurer and 98 votes to approve IRS Ruling 70-604.

A new vender list and a listing of what expenses our monthly HOA fees cover were available and several residents helped pass them out. Irene Jordon suggested the vender list could be placed on the web site.

TREASURER REPORT: Melva Hausserman: Melva reported that as of 01/31 there was a total of \$986,984.12 in the Reserve account. The Net Operations Account has \$120,623.22. The total of the two is \$1,107,637.34. The Total Net Operating Income for the year ending 12/31/2024 was negative \$8,461.38. The account is on target for roof replacement when it becomes necessary. Melva also mentioned that the monthly breakdown of what our monthly condo fees pay for is available; also there is a list of vendors to hand out.

ARBORIST REPORT: Jim Cunningham has resigned as Arborist for the Fountains. Reno Totoro volunteered for this position and was thanked.

MAINTENANCE REPORT: David Smith: Dave reported that the garbage corrals and garages have been repaired. Next summer, all garages and corrals will be repainted at a cost of \$46,000. He also explained that he thought the carpet in each entrance area would need to be replaced, but one was cleaned for a unit that was for sale, and he realized just a good cleaning, replacing was not necessary. New rugs will be placed in all entrances to replace those that are there. They are brown which will match the carpet, are 4' 6' and have a backing that will not shift. Half of the Brick work was done last year; the remainder of the work will happen this summer. They are also doing chimney and mortar work and placing a protective coating on; the coating has never been done. Cost will be about \$25,000. Parking lots may need to be done this summer as

well. Dave will also look at an area by the mail box near unit 100 and get an estimate for repair there.

Pest control has worked well with current company. An owner mentioned the molding around the walls in their entry is not in good shape; Dave will look at it.

Schwindt and Company does our reserve study. The final version is projected for 2025 and continuing years.

A resident suggested we all thank Irene for her 10 years serving as Treasurer. There was a round of applause.

Awnings were briefly discussed. It was clarified that they will still be required to be the same color, but the material can be different.

Gift certificates were drawn for those present. The winners were units 106, 78, 70, 33,12, 56. 48, 24, 36,76, 62,35, 77, 21, 66, 19, 20, 79,31, 82, 49, 5,72, 29, 16,107, 91, 17, 80, 30, 71, 25, and 13.

MEETING ADJOURNED: A motion was made, was seconded, and approved to adjourn the meeting. The meeting was adjourned at 3:10 P.M. Refreshments were provided for those attending.

THE FOUNTAINS ANNUAL MEETING

FEBRUARY 21, 2024

The meeting was called to order at 4:00 P.M. by president Donovan Madden. 59 units were represented, either in person or by ballot vote, which constituted a quorum.

The minutes from the 2023 Annual Meeting were approved.

TREASURER’S REPORT: The 2023 year-end report was sent out to all residents by email or hard copy in January. Irene Jordon, current Treasurer, is going to retire at the end of 2024. She has served 10 years in this position. If someone from the Fountains can serve as Treasurer performing all functions necessary, as Irene has, an outside entity will not be required. Irene noted that even if a management company or CPA is needed, a Treasurer still needs to serve on the Board to oversee the finances to assure accuracy and accountability.

HANDOUTS: Two Handouts for residents were placed on a nearby table. One states what the HOA monthly fee of \$500 pays for and the other is a list of recommended vendors. Paul Brock commented on garage door problems; openers are not covered, but the doors and hardware are. The recommended vendor is J&J Doors. Clean A Vent is who to contact for having dryer vents cleaned; Paul noted if multiple unit’s vents need cleaning at the same time, the company will give a discount. Johnson Home Improvement is recommended for repairing/replacing windows and deck doors.

Paul is stepping down after 6 years of serving as Maintenance Director. Paul thanked Bob Hauserman, Jean Madrid, Dottie Francis, Dave House, Reno Totino, and Bill Norton for their help over the years. Irene thanked Paul for his years of serving.

MARCH 10, 2023

Zach Howell of Bear Consulting gave a presentation with slides to address the current condition of the decks, how any needing maintenance can be identified, and a plan of regular maintenance to keep them in good condition. He explained how our deck surfaces are caulked at the edges abutting the building and metal plates are positioned behind the lower bricks to keep water from leaking in. The caulk is warranted by the manufacturer to last three years, but may not if the deck is subjected to severe weather conditions. Our decks vary greatly in how the weather affects them due to their direction and positioning, leaving some decks more protected while other decks take the brunt of the weather. To address this in a proactive manner, a regular plan of deck inspection, maintenance and repair will be set up. This will allow replacing caulk before it fails, addressing any other issues and keeping our decks in good condition. He said to not put carpet on the deck as it can hold in moisture and cause damage to the deck floor finish. Door mats are acceptable. Residents are also encouraged to take a look at their decks from time to time; if they see anything that is damaged or might be failing, report it by putting a note in box 31.

Barbara called the meeting to order. Residents from more than 56 units were in attendance either in person, by absentee ballots or by proxy, which constituted a quorum. Voting Board

Barbara requested a motion to approve the minutes of the March 17, 2022 annual meeting. The motion was made, seconded and approved.

Each resident was provided a paper ballot, one per household, as they checked in. Residents who were unable to attend and wanted to vote were provided absentee or proxy ballots prior to the meeting on request. Two items required a vote:
